Funds raised will benefit ovarian cancer research.

DEAR TOURNAMENT PARTICIPANT:

It is our pleasure to announce the Fifth Anniversary of "Tee Off for Teal" golf tournament to be held June 7, 2010 at Granite Bay Golf Club to raise funds for ovarian cancer research being done right here in Sacramento at the UC Davis Cancer Center.

Ovarian cancer is a daunting enemy affecting one in every 55 women. Unfortunately 16,000 women will die of ovarian cancer this year because most cases are not diagnosed until the cancer is in the advanced stages.

A few important facts about ovarian cancer:

- Ovarian cancer is the deadliest of all gynecologic cancers
- Women diagnosed with breast cancer have a 25% greater risk of developing ovarian cancer
- Symptoms are vague and often misdiagnosed
- There is no proven test for early detection
- Without early detection chances of survival are less than 30%
- All women are at risk

The researchers at UC Davis Cancer Center are working hard to not only find a cure, but to develop a method of early detection so that the chances of surviving ovarian cancer are greater. What a difference that would make for women and their families!

We would appreciate your consideration as a sponsor, participant or a donation. Please complete the registration form on the back—remember to get your reservations in early! If you need more information, contact Pattie Laubhan at 916-784-1368 or via email at azore@onemain.com.

Your contribution will make the "Tee Off for Teal" tournament a success. Together let us make a "breakthrough" with this disease.

Sincerely,

RALPH DeVERE WHITE
